CAREER OBJECTIVE

I am a recent graduate of HIGHER NATIONAL DIPLOMA. From the INSTITUTE UNIVERSITY OF THE COAST (Akwa) where I studied software engineering. I am currently a student of INSTITUT UNIVERSITAIRE DES TECHNOLOGIES (Ndogbong) to obtain a TECHNICAL DEGREE in genie logiciel. I have completed 2 month internship at JETECHNOLOGIE where I was able to study and create a web application and a month internship in KLC LTD where I created a website.

I am looking for an opportunity to perfect the developing skills I have with practicals. I have passion in web development and mobile development. I will use my developing, researching and technical skills to add value to your organization and thrive it forward.
